Expand Horizons, Enrich Minds:

We care about educational outcomes and believe in the transformative power of TYS Learning Products.

1 Critical Thinking
I can solve tough problems

2 Valuing diversity
I appreciate others' unique perspectives and learn from them

3 Understanding the region
I identify assumptions and pose questions to understand the region's socio-political and economic landscape better.

4 Regional Connections
I play a part in the region and desire to make a positive impact.

5 Intercultural Sensitivity
I understand cultural-specific ways of behaviour and concepts.

6 Curiosity
I seek to engage in first-hand experiences to learn about the world.

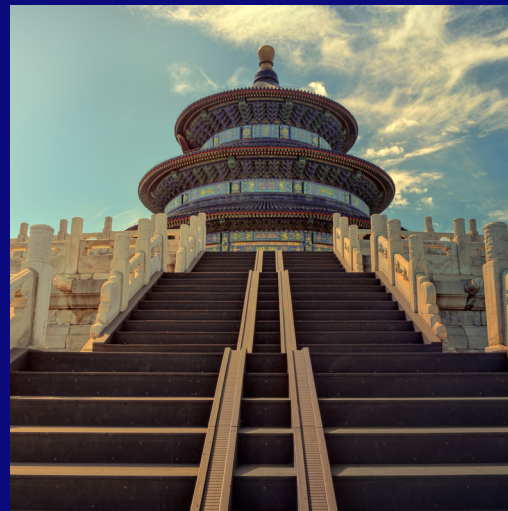

7 Effective Communications
I can articulate ideas in a manner appropriate and clear enough for diverse audiences.

8 Flexibility
I am aware of the ever-changing conditions in the region and can adapt to the situational changes.

Chinese Cities We Go To

Explore, discover and learn
from a variety of exciting
Chinese cities:

- Beijing
- Shanghai
- Guangzhou
- Shenzhen
- Tianjin
- Suzhou
- **and MORE!**

We leverage our local resources and networks across ASEAN countries and China to organize **customized overseas learning journeys** comprising three components:

**Corporates
Visits**

**Youth
Interactions**

**Cultural
Experiences**

We believe that **first-hand experience** of being in a country and **making friends** with its young people can unleash youth's interest and conation to keep learning about our dynamic and diverse region.
